# LONG-LIFE SERVICE CONTRACT

---

## What is a Long-Life service contract?

The regular maintenance and checks we carry out under our LONG-LIFE service contract guarantee the highest levels of operational reliability and dependability for your machine at all times. This plan also plays an important role in boosting your machine's service life and efficiency. Our service contract lets you set a fixed budget for service and maintenance expenses.

## Why take out a service contract?

- » Maintain value: Increase your machine's service life
- » Ideal operating conditions: Save operating costs
- » Predictable costs: You control the budget for the machine

## Our offering

- › Free machine inspections performed by a BHS expert
- › Framework agreement for annual supply of original BHS spare parts

## How you benefit

- › 100% part availability
- › Short-term supply when actually needed; BHS takes care of interim storage
- › Minimum order quantity is just 50%
- › Special discount/bonus provisions applicable during the contract term
- › Warranty can be extended to cover new machines, if needed
- › Assignment of qualified BHS personnel
